

REVERSE A RAINBOW WITH NEWTON'S DISC

Colour in the disc to match the one shown below, then stick it onto card. Ask an adult to help you cut it out and put a pencil through its centre. Hold the pencil between your hands and rub together to make the disc spin. Marvel as the colours merge into white!

orange

Yellow

Red

Green

Violet

Blue

Indigo

Find out about SIR ISAAC NEWTON
and the rainbow colours of light on
on pages 10–11 of *FORCES OF THE DAY*.
